JONES LANG LASSALLE UHG ACCOUNT

ICE AND WATER DISPENSER INSTALLATION QUESTIONNAIRE

A Rapids associate will be in touch with you shortly to discuss your installation. Please prepare the information below.

LOCATION

What is the address of the location that the unit(s) will be installed?

REPLACEMENT UNIT

What is the make and model of the current unit(s) you are replacing?

WATER & ICE

Does your current unit(s) dispense both water and ice?

UTILITIES

Are all necessary utilities within in 4 feet of where the new unit will be placed (power, water line, drain, etc.)?

UNIT PLACEMENT IN FLOOR PLAN

Where will these units be situated? If they are on a counter, can you provide counter dimensions? Are there any cabinets or other facility protrusions that may impact placement of the units? If the unit is to be positioned on the floor, is there adequate space around it, or are there restrictions? **Please provide pictures if possible.**

BUILDING INFORMATION

What floor of the building will this unit(s) be placed? Is there elevator access?

VOLUME

How many employees are expected to use the unit(s)? Are there other ice maker/dispensers on the same floor that help alleviate some of the usage?

REMOVAL

Do you require Rapids to remove and dispose of any old units?

DELIVERY & INSTALLATION

Do you need the new unit delivered, uncrated, and set in place for final connections to be managed by Rapids? Do you need the new unit to be connected to appropriate utilities by Rapids?
